

Applicability

This policy shall apply when a necessary reduction of personnel requires the discharge of a continuing contract.

A reduction in force may take place when the Superintendent recommends and the Board adopts a resolution declaring a financial exigency or determines another need to reduce personnel on continuing contracts. [See CEA(LEGAL)]

Teaching Fields

When a reduction of personnel is to be implemented, the Superintendent shall recommend the teaching fields to be affected.

Teaching fields may include, for example:

1. Elementary
2. Special education
3. Fine arts
4. Languages other than English
5. Secondary subject areas
6. Career and technical education
7. District administration
8. Campus administration
9. Instructional support
10. Administrative support
11. Auxiliary

The Superintendent's recommendation may address whether any teaching fields should be:

1. Combined or adjusted (e.g., "elementary" and "fine arts" can be combined to identify a teaching field of "elementary fine arts"); and/or
2. Applied on a District-wide or campus-wide basis (e.g., "secondary science at [named high school campus]").

The Board shall determine the teaching fields to be affected.

Criteria for Decision

The Superintendent or designee shall apply the following criteria to the employees within the affected teaching fields. The criteria are listed in the order of importance and shall be applied sequentially to the extent necessary to identify the employees who least satisfy the criteria and therefore are subject to the reduction in force. For example, if all necessary reductions can be accomplished by ap-

plying the first criterion, it is not necessary to apply the second criterion, and so forth.

1. Performance: Effectiveness, as reflected by:
 - a. The most recent formal appraisal and, if available, consecutive formal appraisals from more than one year [see DNA]; and
 - b. Any other written evaluative information, including disciplinary information, from the last 36 months.

If the Superintendent or designee at his or her discretion decides that the documented performance differences between two or more employees are too insubstantial to rely upon, he or she may proceed to apply the remaining criteria in the order listed below.

2. Certification: Appropriate certification and/or endorsement for the current or projected assignment.
3. Professional Background: Professional education and work experience related to the current or projected assignment, including but not limited to (and with factors being equally weighted):
 - a. Continuing education hours;
 - b. Campus performance, as measured by District benchmarks and results of state-mandated assessments;
 - c. Specialized training for the employee's particular position within the last two calendar years;
 - d. Professional growth and staff development for specific or projected position within the last two calendar years; and
 - e. Multiple or composite certifications, bilingual certification, licensure, and/or endorsement.
4. Extra Duties: Currently performing an extra-duty assignment, such as department chair, band director, athletic coach, or activity sponsor.
5. Seniority: Length of continuous service in the District, as measured from the employee's most recent date of hire.

Superintendent
Recommendation

The Superintendent shall recommend to the Board the discharge of the identified employees within the affected teaching fields.

1. Final action by the Board to end the employee's contract, if the employee does not request a hearing.
2. The hearing by the independent hearing examiner, the Board, or other person designated in DFBB(LOCAL), if the employee requests a hearing.

An employee receiving notice of proposed discharge due to financial exigency may request a hearing. The hearing shall be conducted in accordance with DFD or the nonrenewal hearing process in DFBB, as determined by the Board and specified in the notice of proposed discharge.

An employee receiving notice of proposed discharge due to a necessary reduction of personnel may request a hearing in accordance with DFD.
