

**Classification for
Physical Education**

The District shall classify students for physical education on the basis of health into one of the following categories:

1. Unrestricted - not limited in activities.
2. Restricted - excludes the more vigorous activities. Restricted classification is of two types:
 - a. Permanent - A member of the healing arts licensed to practice in the State of Texas shall provide written documentation to the school as to the nature of the impairment and the expectations for physical activity for the student.
 - b. Temporary - Students may be restricted from physical activity of the physical education class. A member of the healing arts licensed to practice in the State of Texas shall provide written documentation to the school as to the nature of the temporary impairment and the expected amount of time for recovery. During recovery time, the student shall continue to learn the concepts of the lessons but shall not actively participate in the skill demonstration.
3. Adapted and remedial - specific activities prescribed or prohibited for students so classified as directed by a member of the healing arts licensed to practice in the State of Texas.

The administration shall develop regulations and procedures for approving excuses from physical education or assignment to restricted, adapted or remedial activities.
