Definitions

The term “immediate family” is defined as:

Family

1. Spouse.
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
3. Parent, stepparent, parent-in-law, or other individual who stands *in loco parentis* to the employee.
4. Sibling, stepsibling, sibling-in-law.
5. Grandparent and grandchild.
6. Any person in the employee’s household at the time of illness or death.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

Family Emergency

The term “family emergency” shall be limited to disasters and life-threatening situations involving the employee or a member of the employee’s immediate family.

Leave Day

A “leave day” for purposes of earning, use, or recording of leave shall mean the number of hours per day equivalent to the employee’s usual work assignment, whether full time or part time.

Catastrophic Illness or Injury

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee’s immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Such conditions typically require prolonged hospitalization or recovery or are expected to result in disability or death. Conditions relating to pregnancy or childbirth shall be considered catastrophic if they meet the requirements of this paragraph.

Availability

The District shall make state personal leave for the current year available for use at the beginning of the school year. Local leave shall be made available only as earned.

Earning Local Leave

An employee shall not earn any local leave when he or she is in unpaid status. An employee using full or proportionate paid leave shall be considered to be in paid status.

Deductions

Leave without Pay

The District shall not approve paid leave for more leave days than have been accumulated in prior years plus leave currently available. Any unapproved absences or absences beyond accumulated

and available paid leave shall result in deductions from the employee's pay.

Leave Proration

*Employed for
Less Than Full
Year*

If an employee separates from employment with the District before his or her last duty day of the year, or begins employment after the first duty day, state personal leave and local leave shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee's final paycheck shall be reduced for state personal leave the employee used beyond his or her pro rata entitlement for the school year.

Recording

Leave shall be recorded as follows:

1. For positions for which a substitute is normally required, leave shall be recorded in whole day or half-day increments, even if a substitute is not employed.
2. For positions for which a substitute is not normally required, leave shall be recorded in quarter-hour increments.
3. If the employee is taking intermittent FMLA leave, leave shall be recorded in one-hour increments.

Order of Use

Earned compensatory time shall be used before any available paid state and local leave. [See DEAB]

Unless an employee requests a different order, available paid state and local leave shall be used in the following order, as applicable:

1. Local leave.
2. State sick leave accumulated before the 1995–96 school year.
3. State personal leave.

Use of days from the catastrophic sick leave bank shall be permitted only after all available state and local leave has been exhausted.

Concurrent Use of Leave

When an absent employee is eligible for FMLA leave, the District shall designate the absence as FMLA leave.

The District shall require the employee to use temporary disability leave and paid leave, including compensatory time, concurrently with FMLA leave.

An employee receiving workers' compensation income benefits may be eligible for paid or unpaid leave. An absence due to a

work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

Medical Certification

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than three consecutive work-days because of personal illness or illness in the immediate family;
2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor or Superintendent;
3. The employee requests FMLA leave for the employee's serious health condition or that of a spouse, parent, or child; or
4. The employee requests FMLA leave for military caregiver purposes.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

Note: For District contribution to employee insurance during leave, see CRD(LOCAL).

State Personal Leave

The Board requires employees to differentiate the manner in which state personal leave is used:

Non-discretionary
Use

1. Non-discretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Non-discretionary use includes leave related to the birth or placement of a child and taken within the first year after the child's birth, adoption, or foster placement.

Discretionary Use

2. Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

Limitations

Request for
Leave

The employee shall submit a written request for use of state personal leave to the immediate supervisor three workdays in advance of the anticipated absence. In emergency situations, the supervisor may waive the three-day notice requirement but may require documentation to support the failure to meet that requirement.

In deciding whether to approve or deny state personal leave, the supervisor or designee shall not seek or consider the reasons for

which an employee requests to use leave. The supervisor or designee shall, however, consider the effect of the employee's absence on the educational program or District operations, as well as the availability of substitutes.

Duration of Leave Discretionary use of state personal leave shall not exceed two consecutive workdays.

Local Leave All full-time employees shall receive paid local sick leave days per school year as follows:

1. Eligible employees in positions requiring ten months of service shall earn five paid local sick leave days per school year.
2. Eligible employees in positions requiring 11 months of service shall earn five and one-half paid local sick leave days per school year.
3. Eligible employees in positions requiring 12 months of service shall earn six paid local sick leave days per school year.

Local leave shall accumulate without limit.

Local leave shall be used according to the terms and conditions of state sick leave accumulated before the 1995–96 school year, except that an employee may contribute local sick leave to the catastrophic sick leave bank. [See DEC(LEGAL)]

Unauthorized Leave An employee who is absent without prior approval or who obtained approval under false pretenses shall be subject to disciplinary action, including dismissal.

Bereavement Leave Upon written request, paid leave for death in the immediate family may be granted for up to three consecutive workdays for each occurrence, subject to the approval of the supervisor or principal. Such leave shall not be deducted from state leave or local leave days.

Catastrophic Sick Leave Bank The District shall establish a sick leave bank that employees may join through contribution of local leave.

Leave contributed to the bank shall be solely for the use of participating employees. An employee who is a member of the bank may request leave from the bank if the employee experiences a catastrophic illness or injury and has exhausted all paid leave.

If the employee is unable to request leave from the sick leave bank, a member of the employee's family or the employee's supervisor may submit the request.

The Superintendent or designee shall develop regulations for the operation of the sick leave bank that address the following:

COMPENSATION AND BENEFITS
LEAVES AND ABSENCES

DEC
(LOCAL)

1. Membership in the sick leave bank, including the number of days an employee must contribute to become a member;
2. Procedures to request leave from the sick leave bank;
3. The maximum number of days per school year a member employee may receive from the sick leave bank;
4. The committee or administrator authorized to consider requests for leave from the sick leave bank and criteria for granting requests; and
5. Other procedures deemed necessary for the operation of the sick leave bank.

Appeal

All decisions regarding the sick leave bank may be appealed in accordance with DGBA(LOCAL), beginning with the Superintendent or designee.

Family and Medical Leave

For purposes of an employee's entitlement to FMLA leave, the 12-month period shall be measured forward from the date an individual employee's first FMLA leave begins.

Twelve-Month Period

Combined Leave for Spouses

If both spouses are employed by the District, the District shall limit FMLA leave for the birth, adoption, or placement of a child, or to care for a parent with a serious health condition, to a combined total of 12 weeks. The District shall limit military caregiver leave to a combined total of 26 weeks. [See DECA(LEGAL)]

Intermittent or Reduced-Schedule Leave

The District shall not permit use of intermittent or reduced schedule FMLA leave for the care of a newborn child or for the adoption or placement of a child with the employee. [See DECA(LEGAL) for use of intermittent or reduced schedule leave due to a medical necessity.]

Certification of Leave

If an employee requests leave, the employee shall provide certification, as required by FMLA regulations, of the need for leave. [See DECA(LEGAL)]

Fitness-for-Duty Certification

If an employee takes FMLA leave due to the employee's own serious health condition, the employee shall provide, before resuming work, a fitness-for-duty certification. If the District will require certification of the employee's ability to perform essential job functions, the District shall provide a list of essential job functions to the employee with the FMLA designation notice.

End-of-Semester Leave

If a teacher takes leave near the end of the semester, the District may require the teacher to continue leave until the end of the semester. [See DECA(LEGAL), Leave at the End of a Semester]

Accommodation

In the case of a qualifying reason found in DECA(LEGAL), the Superintendent or designee may grant leave for a definite period of time in excess of the terms identified above as a reasonable accommodation to an employee who does not qualify for a District-approved leave when such leave does not create an undue hardship to the District. Any employee who is separated from employment under the terms of this policy may reapply for any vacancies.
