

Complaints

In this policy, the terms “complaint” and “grievance” shall have the same meaning.

Other Complaint Processes

Complaints by members of the public shall be filed in accordance with this policy, except as required by the policies listed below. Some of these policies require appeals to be submitted in accordance with GF after the relevant complaint process:

1. Complaints concerning instructional resources shall be filed in accordance with EF.
2. Complaints concerning a commissioned peace officer who is an employee of the District shall be filed in accordance with CKE.
3. Complaints concerning alleged, unlawful discrimination shall be filed in accordance with GA.
4. Complaints concerning on-campus distribution of nonschool materials shall be filed in accordance with GKDA.

[See FNG(LOCAL) for disposition of appeals regarding Student Code of Conduct violations.]

Guiding Principles

Informal Process

The Board encourages the public to discuss concerns with an appropriate administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Formal Process

An individual may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, individuals are encouraged to seek informal resolution of their concerns. An individual whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against any individual for bringing a concern or complaint.

General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including e-mail and fax, or by U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall

be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are post-marked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

Scheduling
Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If the individual fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the individual's absence.

Response

At Levels One and Two, "response" shall mean a written communication to the individual from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the individual's e-mail address of record, or sent by U.S. Mail to the individual's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

Days

"Days" shall mean District business days. In calculating time lines under this policy, the day a document is filed is "day zero." The following business day is "day one."

Representative

"Representative" shall mean any person who or organization that is designated by an individual to represent the individual in the complaint process.

The individual may designate a representative through written notice to the District at any level of this process. If the individual designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.

Consolidating
Complaints

Complaints arising out of an event or a series of related events shall be addressed in one complaint. An individual shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

When two or more complaints are sufficiently similar in nature and remedy sought to permit their resolution through one proceeding, the District may consolidate the complaints. If a complaint could be heard by two or more departments, the associate superintendents shall jointly decide the proper department.

Untimely Filings

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the individual, at any point during the complaint process. Such appeal shall be limited to the issue of timeliness.

Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint.

Complaint and Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the individual does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the individual unless the individual did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refile is within the designated time for filing.

Level One

Complaint forms must be filed:

1. Within ten days of the date the individual first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the individual within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the individual a written response within ten days following the conference. In reaching a decision, the administrator may consider in-

formation provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the individual did not receive the relief requested at Level One or if the time for a response has expired, he or she may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The individual may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the individual at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the individual may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the individual a written response within ten days following the conference. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the individual did not receive the relief requested at Level Two or if the time for a response has expired, he or she may appeal the

decision to the Board. The appeal shall be heard by a hearing officer who shall not be a District employee.

The appeal notice must be filed in writing in the Superintendent's office, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall provide the hearing officer the record of the Level Two appeal. The individual may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be presented to the hearing officer within 15 business days of receipt of the appeal notice. An audiotape recording of the proceeding shall be made. The hearing officer shall make a written recommendation for disposition to the Board within 15 business days following the hearing.

The Board shall review the hearing officer's written recommendation at the first regular meeting following receipt of the recommendation. The time frame may be adjusted, however, as practicable.

The complainant and the administration shall be provided a copy of the recommendation prior to the meeting. No testimony or new evidence shall be taken at the Board level except as may be required by law. The Board may decide to accept, reject, or modify the recommendation of the hearing officer.
