

**Applicability**

This policy shall apply when a reduction in force due to a program change requires the nonrenewal of a term contract. A program change may be due to, for example, a redirection of resources; efforts to improve efficiency; a change in enrollment; a lack of student response to particular course offerings; legislative revisions to programs; or a reorganization or consolidation of two or more individual schools, departments, or school districts.

**Definitions**

Definitions used in this policy are as follows:

1. "Program change" shall mean any elimination, curtailment, or reorganization of a program, department, school operation, or curriculum offering, including, for example, a change in curriculum objectives; a modification of the master schedule; the restructuring of an instructional delivery method; or a modification or reorganization of staffing patterns in a department, on a particular campus, or District-wide.
2. "Nonrenewal" shall mean the termination of a term contract at the end of the contract period.

**General Grounds**

A reduction in force may take place when the Superintendent recommends and the Board approves a program change. A determination of a program change constitutes sufficient reason for nonrenewal.

**Employment Areas**

When a reduction in force is to be implemented, the Superintendent shall recommend the employment areas to be affected.

Employment areas may include, for example:

1. Elementary grades, levels, subjects, departments, or programs.
2. Secondary grades, levels, subjects, departments, or programs, including career and technical education subjects.
3. Special programs, such as gifted and talented, bilingual/ESL programs, special education and related services, compensatory education, or migrant education.
4. Disciplinary alternative education programs (DAEPs) and other discipline management programs.
5. Counseling programs.
6. Library programs.
7. Nursing and other health services programs.
8. An educational support program that does not provide direct instruction to students.

9. Other District-wide programs.
10. An individual campus.
11. Any administrative position, unit, or department.
12. Programs funded by state or federal grants or other dedicated funding.
13. Other contractual positions.

The Superintendent's recommendation may address whether any employment areas should be:

1. Combined or adjusted (e.g., "elementary programs" and "compensatory education programs" can be combined to identify an employment area of "elementary compensatory education programs"); and/or
2. Applied on a District-wide or campus-wide basis (e.g., "the counseling program at [named elementary campus]").

The Board shall determine the employment areas to be affected.

Criteria for Decision

The Superintendent or designee shall apply the following criteria to the employees within an affected employment area when a program change will not result in the nonrenewal of all staff in the employment area. The criteria are listed in the order of importance and shall be applied sequentially to the extent necessary to identify the employees who least satisfy the criteria and therefore are subject to the reduction in force. For example, if all necessary reductions can be accomplished by applying the first criterion, it is not necessary to apply the second criterion, and so forth.

1. Qualifications for Current or Projected Assignment: Certification, multiple or composite certifications, bilingual certification, licensure, endorsement, and/or specialized or advanced content-specific training or skills for the current or projected assignment.
2. Performance: Effectiveness, as reflected by:
  - a. The most recent formal appraisal and, if available, consecutive formal appraisals from more than one year [see DNA]; and
  - b. Any other written evaluative information, including disciplinary information, from the last 36 months.

If the Superintendent or designee at his or her discretion decides that the documented performance differences between two or more employees are too insubstantial to rely upon, he

or she may proceed to apply the remaining criteria in the order listed below.

3. Extra Duties: Currently performing an extra-duty assignment, such as athletic coach and receives a paid supplemental stipend in return for those duties.
4. Professional Background: Length of service in professional education, as determined by total years of service in public education in prekindergarten through grade 12.
5. Seniority: Length of uninterrupted service in the District, as measured from the employee's most recent date of hire.

Superintendent Recommendation      The Superintendent shall recommend to the Board the nonrenewal of the identified employees within the affected employment areas.

Board Vote      After considering the Superintendent's recommendations, the Board shall determine the employees to be proposed for nonrenewal, as appropriate. If the Board votes to propose nonrenewal of one or more employees, the Board shall specify the manner of hearing in accordance with DFBB(LOCAL).

Notice      The Superintendent or designee shall provide each employee written notice of the proposed nonrenewal. The notice shall include a statement of the reason for the proposed action and notice that the employee is entitled to a hearing of the type determined by the Board.

**Consideration for Available Positions**      An employee who has received notice of proposed nonrenewal may apply for available positions for which he or she wishes to be considered. The employee is responsible for reviewing posted vacancies, submitting an application, and otherwise complying with District procedures.

**Hearing Request**      An employee receiving notice of proposed nonrenewal of a term contract may request a hearing in accordance with DFBB.

**Final Action**  
Hearing Requested      If the employee requests a hearing, the Board shall take final action after the hearing in accordance with DFBB and shall notify the employee in writing.

No Hearing Requested      If the employee does not request a hearing, the Board shall take final action in accordance with DFBB and shall notify the employee in writing.
