A student who has reached age 18 shall be permitted to complete these forms if he or she is authorized to act as his or her own agent. If the student is not so authorized, the forms must be completed by the parent, guardian, or other person having lawful control.

2. A sales or rental contract for a residence or apartment listing each occupant of the residence or apartment. If the student and his or her family reside with another family, a notarized statement acknowledging that fact may be required from the owner of the residence or manager of the apartment building.

In accordance with law, the District may make reasonable inquiries to determine whether the student is a resident of the District, including when a document submitted for purposes of proving residency is not in the name of the adult who is enrolling the student. Based on an individual's circumstance, the District may grant exceptions to the requirement to produce a document listed above. When required by law, the District shall waive the requirement to prove residency in the District boundaries.
