(LOCAL)

Retaliation	The District prohibits retaliation against an employee who makes a claim alleging to have experienced prohibited discrimination or harassment, or another employee who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation.
Prohibited Conduct	In this policy, the term “prohibited conduct” includes discrimination, harassment, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.
Reporting Procedures	<p>An employee who believes that he or she has experienced prohibited conduct or believes that another employee has experienced prohibited conduct should promptly report the alleged acts. The employee may report the alleged acts to his or her supervisor or campus principal.</p> <p>Alternatively, the employee may report the alleged acts to one of the District officials below.</p>
Definition of District Officials	For the purposes of this policy, District officials are the Title IX coordinator, the ADA/Section 504 coordinator, and the Superintendent.

If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.</p>
Timely Reporting	Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to promptly report may impair the District’s ability to investigate and address the prohibited conduct.
Notice of Report	Any District supervisor who receives a report of prohibited conduct shall promptly notify the appropriate District official listed above and take any other steps required by this policy.

Investigation of the Report

The District may request, but shall not insist upon, a written report. If a report is made orally, the District official may reduce the report to written form.

Upon receipt or notice of a report, the District official should determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the District official shall immediately authorize or undertake an investigation, regardless of whether a criminal or regulatory investigation regarding the same or similar allegations is pending.

The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney.

Concluding the Investigation

The investigator may prepare a written report of the investigation. Any report should be filed with the District official overseeing the investigation.

District Action

If the results of an investigation indicate that prohibited conduct occurred, the District shall respond by taking disciplinary or corrective action.

The District may take action based on the results of an investigation, even if the conduct did not rise to the level of prohibited or unlawful conduct.

Confidentiality

Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Appeal

A complainant who is dissatisfied with the outcome of the investigation may appeal through DGBA(LOCAL), beginning at the appropriate level.

The complainant may have a right to file a complaint with appropriate state or federal agencies.
