

**Board Authority**

The Board has final authority to determine and interpret the policies that govern the schools and, subject to the mandates and limits imposed by state and federal authorities, has complete and full control of the District. Board action shall be taken only in meetings that comply with the Open Meetings Act. [See BE(LEGAL)]

**Transacting  
Business**

When a proposal is presented to the Board, the Board shall hold a discussion and reach a decision. Although there may be dissenting votes, which are a matter of public record, each Board decision shall be an action by the whole Board binding upon each member.

**Individual Authority  
for Committing the  
Board**

Board members as individuals shall not exercise authority over the District, its property, or its employees. Except for appropriate duties and functions of the Board President, an individual member may act on behalf of the Board only with the express authorization of the Board. Without such authorization, no individual member may commit the Board on any issue. [See BDAA]

**Individual Access to  
Information**

An individual Board member, acting in his or her official capacity, shall have the right to seek information pertaining to District fiscal affairs, business transactions, governance, and personnel matters, including information that properly may be withheld from members of the public in accordance with the Public Information Chapter of the Government Code. [See GBA]

Limitations

If a Board member is not acting in his or her official capacity, the Board member has no greater right to District records than a member of the public.

An individual Board member shall not have access to confidential student records unless the member is acting in his or her official capacity and has a legitimate educational interest in the records in accordance with policy FL.

A Board member who is denied access to a record under this provision may ask the Board to determine whether the record should be provided or may file a request under the Public Information Act. [See GBAA]

Requests for  
Records

An individual Board member shall seek access to records or request copies of records from the Superintendent or other designated custodian of records, who shall respond within the time frames required by law. When a custodian of records other than the Superintendent provides access to records or copies of records to an individual Board member, the provider shall inform the Superintendent of the records provided.

In accordance with law, the District shall track and report any requests under this provision, including the cost of responding to one

or more requests by any individual Board member for 200 or more pages of material in a 90-day period.

Requests for  
Reports

A Board member may request existing information and reports from the Superintendent's office. If the information is not available or a new report must be generated, it shall be requested through the Board President. If the Board President does not agree to the request, it may be resubmitted to the Board President by two or more Board members.

In case of emergency, the Board President may request information or reports.

Confidentiality

At the time a Board member is provided access to records or reports that are confidential or otherwise not subject to public disclosure [see GBA], the Superintendent or other District employee shall advise the Board member of the responsibility to comply with confidentiality requirements and the District's information security controls.

**Referring  
Complaints**

If employees, parents, students, or other members of the public bring concerns or complaints to an individual Board member, he or she shall refer them to the Superintendent or another appropriate administrator, who shall proceed according to the applicable complaint policy. [See (LOCAL) policies at DGBA, FNG, and GF]

When the concern or complaint directly pertains to the Board's own actions or policy, for which there is no administrative remedy, the Board member may request that the issue be placed on the agenda.

**Visits to District  
Facilities**

A Board member shall adhere to any posted requirements for visitors to first report to the main office of a District facility, including a school campus. Visits during the school or business day shall not be permitted if their duration or frequency interferes with the delivery of instruction or District operations. [See also GKC]
