**Selection**

A school depository must be a bank located in this state and may be selected only as provided by this policy. "Bank" means a bank, a savings and loan association, or a savings bank organized under the laws of this state, another state, or federal law that has its main office or a branch office in this state. The term does not include any bank the deposits of which are not insured by the Federal Deposit Insurance Corporation (FDIC). *Education Code 45.201(2), .202, .203*

**Method**

Not later than the 60th day before the date a school district's current depository contract expires, the district shall choose whether to select a depository through competitive bidding or through requests for proposals. *Education Code 45.206(a)*

The district must keep the selected bid or proposal form in the district and make it available to TEA upon request. *19 TAC 109.51(b)*

Competitive Bidding  
*Notice*

If a district chooses to use competitive bidding, the district shall, not later than the 30th day before the date the current depository contract expires, mail to each bank in the district and, if desired, to other banks, a notice stating the time and place in which bid applications will be received for selecting a depository or depositories. The notice must include the uniform bid blank form prescribed by State Board of Education (SBOE) rule. The district may add to the uniform bid blank other terms that do not unfairly restrict competition between banks in or near the territory of the district. *Education Code 45.206(a-1), (b); 19 TAC 109.51(b), (c)*

Requests for  
Proposals  
*Notice*

If a district chooses to use requests for proposals, the district shall, not later than the 30th day before the date the current depository contract expires, mail to each bank located in the district and, if desired, to other banks, a notice stating the time and place in which proposals will be received for selecting a depository or depositories. The notice must include the uniform proposal blank form prescribed by SBOE rule. A district shall state the selection criteria, including the factors specified under Education Code 45.207(c) [see Factors to Consider, below], in the request for proposals. The district may add to the uniform proposal blank other terms that do not unfairly restrict competition between banks in or near the territory of the district. *Education Code 45.206(a-2), (b), (d); 19 TAC 109.51(b), (d)*

*Best Value*

A district shall select the proposal that offers the best value to the district based on the evaluation and ranking of each submitted proposal in relation to the stated selection criteria. A district may negotiate with the bank that submits the highest-ranked proposal to determine any terms of the proposed depository contract other than the interest rates proposed. *Education Code 45.206(d)*

**Award of Contract**

A district shall award the depository contract to the bank that submits the highest bid or the highest-ranked proposal, as determined under Factors to Consider, below, except that the district may award the contract as provided at Tie Bids and Proposals, below if:

1. The district:
  - a. Receives tying bids for the contract; or
  - b. After evaluating the proposals for the contract, ranks two or more proposals equally;
2. Each bank submitting a tying bid or proposal has bid or proposed to pay the district the maximum interest rates allowed by law by the Federal Reserve System and the FDIC; and
3. The tying bids or proposals are otherwise equal in the judgment and discretion of the board.

*Education Code 45.207(a)*

Factors to Consider

The board shall at a regular or special meeting consider each bid or proposal received. In determining the highest and best bid or the highest-ranked proposal, or in case of tying bids or proposals the highest and best tying bids or proposals, a board shall consider:

1. The interest rate bid or proposed on time deposits;
2. The charge for keeping district accounts, records, and reports and furnishing checks;
3. The ability of the bank submitting the bid or proposal to provide the necessary services and perform the duties as school district depository; and
4. Any other matter the board considers to be in the best interest of a district.

*Education Code 45.207(c)*

Tie Bids or

Abstention

If a board member is a stockholder, officer, director, or employee of a bank that has bid or submitted a proposal to become the depository, the member may not vote on awarding a depository contract to the bank, and the contract must be awarded by a majority vote of the trustees as provided above who are not either a stockholder, officer, director, or employee of a bank receiving a depository contract.

*Education Code 45.204*

**Contract**

The depository shall serve for a term of two years and until its successor is selected and has qualified. A district and its depository bank may agree to extend the contract for three additional two-year terms. The contract may be modified for each two-year extension if both parties mutually agree to the terms. The contract term and any extension must coincide with the district's fiscal year. An extension is not subject to the requirements of Education Code 45.206 [see Method, above]. *Education Code 45.205*

Form

The depository or depositories and a district shall enter into a depository contract(s), bond(s), or other necessary instruments setting forth the duties and agreements pertaining to the depository in the form and with the content prescribed by the SBOE. The parties shall attach and incorporate by reference the bid or proposal of the depository. A copy of the contract and bond, if applicable, shall be filed with TEA. *Education Code 45.208(a), (e); 19 TAC 109.52*

*Bond*

The depository shall attach to the contract and file with the district a bond in an initial amount equal to the estimated highest daily balance, determined by the board, of all deposits the district will have in the depository, less any FDIC insurance. The bond must be payable to the district and signed by the depository and some surety company authorized to do business in this state. The depository shall increase the amount of the bond if the board determines it to be necessary to adequately protect the funds of the district deposited with the depository. *Education Code 45.208(b)*
