
Note: This local policy has been revised in accordance with the District's [innovation plan](#).¹

The District shall provide prekindergarten instruction through a program with a morning session and an afternoon session each day. Each session shall be 180 minutes long. The District understands that state funding for the prekindergarten program may be impacted by this decision but has determined that two sessions of 180 minutes each best meets the needs of the District and this program.
