**Consistent
Application for
Graduating Class**

The District shall apply the same class rank calculation method and rules for local graduation honors for all students in a graduating class, regardless of the school year in which a student first earned high school credit.

Calculation

The District shall include in the calculation of class rank semester grades earned in high school credit courses taken in grades 9–12 in the following subject areas only: English, mathematics, science, social studies, and languages other than English.

The calculation shall include failing grades.

Exclusions

The calculation of class rank shall exclude grades earned in summer school or through credit by examination, with or without prior instruction.

**Weighted Grade
System**

The District shall categorize and weight eligible courses as Advanced, Honors, and Regular in accordance with provisions of this policy and as designated in appropriate District publications.

Categories

Advanced

Eligible Advanced Placement (AP) and dual credit courses shall be categorized and weighted as Advanced courses.

Honors

Eligible Pre-AP courses and other courses locally designated as honors shall be categorized and weighted as Honors courses.

Regular

All other eligible courses shall be categorized and weighted as Regular courses.

Weighted Grade
Point Average

The District shall convert semester grades earned in eligible courses to grade points in accordance with the following chart and shall calculate a weighted grade point average (GPA):

Grade	Advanced	Honors	Regular
100	5.0	4.5	4.0
99	4.9	4.4	3.9
98	4.8	4.3	3.8

Transferred Grades When a student transfers semester grades for courses that would be eligible to receive additional weight under the District’s weighted grade system, the District shall assign additional weight to the grades based on the categories and grade weight system used by the District only if a similar or an equivalent course is offered to the same class of students in the District.

Local Graduation Honors For the purpose of determining honors to be conferred during graduation activities, the District shall calculate class rank in accordance with this policy and administrative regulations by using grades available at the time of calculation at the end of the spring semester of the senior year.

For the purpose of applications to institutions of higher education, the District shall also calculate class rank as required by state law. The District’s eligibility criteria for local graduation honors shall apply only for local recognitions and shall not restrict class rank for the purpose of automatic admission under state law. Valedictorian and
Salutatorian

The valedictorian and salutatorian shall be the eligible students with the highest and second-highest rank, respectively. To be eligible for this local graduation honor, a student must:

1. Have been continuously enrolled in the District high school for the four semesters immediately preceding graduation;
2. Be graduating after exactly eight semesters of enrollment in high school; and
3. Have completed the foundation program with the distinguished level of achievement.

Breaking Ties

In case of a tie in weighted GPAs after calculation to the third decimal place, the District shall apply the following methods, in this order, to determine recognition as valedictorian or salutatorian:

1. Count the number of Advanced courses taken by each student involved in the tie. The student with the most Advanced courses shall be considered for the honor.
2. Calculate a weighted numerical grade average using only eligible grades in Advanced courses taken by each student involved in the tie. The student with the highest numerical grade average shall be considered for the honor.

If the tie is not broken after applying these methods, the District shall recognize all students involved in the tie as sharing the honor and title.

**Highest-Ranking
Graduate**

The student meeting the local eligibility criteria for recognition as the valedictorian shall also be considered the highest-ranking graduate for purposes of receiving the honor graduate certificate from the state of Texas.
