
Note: The following provisions address requirements for a charter partnership to receive the benefits of Education Code 11.174 and 42.2511. For the general campus charter requirements applicable to partnership charters, see EL(LEGAL).

**Contract Regarding
Operation of District
Campus**

The board may contract with a partner to operate a campus. The partner may be an open-enrollment charter school or, on approval by the commissioner of education, an entity granted a charter by the district under Chapter 12, Subchapter C that is eligible to be awarded a charter under Education Code 12.101(a). The campus must be granted a charter under Chapter 12, Subchapter C. *Education Code 11.174(a), (d)*

A campus operated under a contract qualifies for an exemption from intervention as provided below and qualifies for funding as provided by Education Code 42.2511 [see Funding for Certain Students, below].

The board may enter into a contract only if:

1. The charter of the open-enrollment charter school has not been previously revoked;
2. For the three school years preceding the school year of the proposed operation of the campus, the open-enrollment charter school has received:
 - a. An overall performance rating of acceptable or higher; and
 - b. A financial accountability rating indicating financial performance of satisfactory or higher; or
3. The entity considered for a district-authorized charter has not previously operated an open-enrollment charter school in which the charter expired or was revoked or surrendered.

Education Code 11.174(a)–(b)

Intervention Pause

For a campus under a contract that received an overall performance rating of unacceptable under Education Code Chapter 39, Subchapter C for the school year before operation under the contract began, the commissioner may not impose a sanction or take action against the campus under Education Code 39A for failure to satisfy academic performance standards during the first two school years of operation of a campus under the contract. [See AIA, AIC]

A campus is eligible for an exemption from applicable sanctions or actions if the campus and the partnership to operate the campus

meet all applicable requirements and the campus was operated under the partnership from the first to the last day of the school year of the campus. A school year must include, at a minimum, all minutes of operation and instructional time conducted on the campus, and all the days for which the instructional workforce of the campus that provides education services for students are employed.

The overall performance rating received by the campus during those first two school years is not included in calculating consecutive school years and is not considered a break in consecutive school years.

Education Code 11.174(f); 19 TAC 97.1077

Applicability

A campus shall not qualify for an intervention pause unless during the school year prior to the operation of a partnership charter the campus received an unacceptable performance rating, except as provided by 19 Administrative Code 97.1077(e) (related to a campus that operates a partnership charter for less than a year). *19 TAC 97.1062(b)*

The Texas Education Agency (TEA) will not withdraw or postpone issuing any orders or determinations required or authorized that arise due to the performance rating from the school year prior to the school year in which the campus qualifies for the intervention pause, and any order or determination will resume upon expiration of the intervention pause.

Any intervention or sanction not covered by the intervention pause shall continue.

If a campus ceases to qualify for the intervention pause at any point during a school year, TEA will resume previously ordered interventions and sanctions, order interventions and sanctions based on the rating from that school year, and count that rating for purposes of consecutive years of performance.

TEA will not pursue interventions under Education Code 39A.101–39A.109 and 39A.111 for a campus eligible for an intervention pause if one of the school years eligible for an intervention pause results in an acceptable or higher overall rating.

If after the expiration of the intervention pause a campus receives an unacceptable rating, TEA will apply the requisite interventions that apply to the consecutive year that corresponds to the campus's actual number of consecutive years of unacceptable performance minus the number of intervention pause years and, if applicable, accounting for the modification under 19 Administrative Code 97.1062(c).

If a campus qualifies for an intervention pause for a school year after the conclusion of the school year in which an order is authorized under Education Code 39A.111, the intervention under Education Code 39A.111 will not pause.

A campus that receives an intervention pause will still receive an accountability rating for that school year.

Performance of students at a campus that receives an intervention pause shall be considered in the accountability rating of the district and the application of an intervention pause to a campus shall not pause or alter any intervention applicable to the district or other campuses.

<i>Appeal</i>	A determination under this section that arises from the application of Education Code 28.020 is final and may not be appealed.
<i>Partial Year</i>	A partial school year that results in an intervention pause under 19 Administrative Code 97.1077(b) or (c) constitutes one full year of a pause. This provision expires on September 1, 2023. <i>19 TAC 97.1062(d), (f)-(n)</i>
<i>Additional Exemption</i>	A campus that receives an exemption from a sanction or other action may receive another exemption while operating under a subsequent contract only if the campus receives approval for the exemption from the commissioner. <i>Education Code 11.174(g)</i>
Funding for Certain Students	A district that enters into a contract is entitled to receive for each student in average daily attendance at the campus an amount equivalent to the difference, if the difference results in increased funding, between the amount described by Education Code 12.106 and the amount to which the district would be entitled under this Education Code Chapter 42. This section applies only to a district that does not appoint a majority of the governing body of the charter holder. <i>Education Code 42.2511</i>
Consultation with Campus Personnel	Before entering into a contract, the district must consult with campus personnel regarding the provisions to be included in the contract between the district and the open-enrollment charter school. All rights and protections afforded by current employment contracts or agreements may not be affected by the contract entered into between a district and an open-enrollment charter school. <i>Education Code 11.174(c)</i>
Notice to Commissioner	A district proposing to enter into a contract with a campus or program charter shall notify the commissioner of the district's intent to enter into the contract according to commissioner rules. The commissioner shall notify the district whether the proposed contract is

approved not later than the 60th day after the date the commissioner receives notice of the proposed contract and all information required by the commissioner to be submitted. If the commissioner fails to notify the district that the proposed contract has been approved or denied within the period prescribed by this subsection, the proposed contract is considered approved. *Education Code 11.174(k)*

Enrollment Eligibility The contract must include a provision addressing student eligibility for enrollment.

The contract must provide that any student residing in the attendance zone of the campus as the attendance zone existed before operation of the campus under the contract shall be admitted for enrollment at the campus. The contract must establish enrollment preference for students who do not reside in the attendance zone as follows:

1. Other students residing in the school district in which the campus is located; and
2. Students who reside outside the school district.

Education Code 11.174(h), (i)

Operating Partner An operating partner means a state authorized open-enrollment charter school or an eligible entity as defined by Education Code 12.101(a). *19 TAC 97.1075(b)(1)*

*Conferred
Authority*

The district must confer, at a minimum, the following enhanced authorities to the operating partner:

Staffing
Authorities

1. The operating partner must have authority to employ and manage the campus chief operating officer, including the initial and final non-delegable authority to hire, supervise, manage, assign, evaluate, develop, advance, compensate, continue employment, and establish any other terms of employment.
2. The operating partner must have authority over the employees of the operating partner, including initial and final non-delegable authority for the operating partner to employ and/or manage all of the operating partner's own administrators, educators, contractors, or other staff. Such authority includes the authority to hire, supervise, manage, assign, evaluate, develop, advance, compensate, continue employment and establish any other terms of employment.
3. The operating partner must have authority over the assignment of all district employees to the campus, including initial

and final authority to approve the assignment of all district employees or contractors to the campus, as well as initial and final authority to supervise, manage, and rescind the assignment of any district employee or district contractor from the campus.

4. The operating partner must directly manage the instructional staff described above who provide services to at least a majority of the students.

19 TAC 97.1075(c)(1)

Other Authorities

The operating partner must have:

1. Initial and final authority to approve all curriculum decisions beyond the minimum requirements under regulation, lesson plans, instructional strategies, and instructional materials as defined by law;
2. Initial and final authority over educational programs for specific, identified student groups, such as gifted and talented students, students of limited English proficiency, students at risk of dropping out of school, special education students, and other statutorily defined populations;
3. Initial and final authority to set the school calendar and daily schedule, which may differ from those in other district campuses;
4. Initial and final authority to approve all assessments that are not required by the state of Texas; and
5. Initial and final authority to adopt and implement the campus budget. The governing body of the operating partner shall approve the campus budget in a meeting held under the Texas Open Meetings Act [see BE]. Notwithstanding such budget authority, the operating partner's expenditures must comply with the applicable restrictions on the use of state and federal funds.

19 TAC 97.1075(c)(2)
