

Admission Priorities

The District shall prioritize admission to prekindergarten classes in accordance with the following until the classes reach the maximum allowable enrollment established by the District:

1. Children who reside in the District and meet the state eligibility requirements for enrollment in prekindergarten.
2. Children of District employees who do not reside in the District and meet the state eligibility requirements for enrollment in prekindergarten.

Other than children of nonresident District employees, the District shall not accept transfers for admission into the prekindergarten program.
