Additional information may be collected by a district and recorded on the home language survey.

The home language survey shall be used to establish the student's language classification for determining whether a district is required to provide a bilingual education or ESL program. If a student is identified through the home language survey as normally speaking a language other than English, the student shall be tested in accordance with 19 Administrative Code 89.1225 and additionally for students with disabilities, 19 Administrative Code 89.1230.

Education Code 29.056(a)(1); 19 TAC 89.1215

The bilingual or ESL program shall be designed to consider the students' learning experiences and shall incorporate the cultural aspects of the students' backgrounds.

A district shall modify the instruction, pacing, and materials of bilingual and ESL programs to ensure that English language learners have a full opportunity to master the essential knowledge and skills of the required curriculum. Students participating in the bilingual education program may demonstrate their mastery of the essential

knowledge and skills in either their home language or in English for each content area.

Students enrolled in the bilingual or ESL programs shall be placed in classes with other students of approximately the same age and level of educational attainment. A district shall ensure that each student's instruction is appropriate to the student's level of educational attainment, and the district shall keep adequate records of the educational level and progress of each student enrolled in the program.

LEP students shall participate fully with English-speaking students in regular classes provided in subjects such as art, music, and physical education. 19 TAC 89.1210(g)

*Dual Language
Immersion Program*

"Dual language immersion" is an educational approach in which students learn two languages in an instructional setting that integrates subject content presented in English and another language. Models vary depending on the amount of each language used for instruction at each grade level. The program must be based upon instruction that adds to the student's first language. The implementation of a dual language immersion program (DLIP) model is optional. *19 TAC 89.1203*

A district may adopt a DLIP for students enrolled in elementary school grades. *Education Code 28.005(c), .0051(c)*

Implementation

Program implementation should:

1. Begin at prekindergarten, kindergarten, or grade 1, as applicable;
2. Continue without interruption incrementally through the elementary grades whenever possible; and
3. Consider expansion to middle school and high school whenever possible.

19 TAC 89.1227

Minimum Requirements

A DLIP must:

1. Address all curriculum requirements specified at 19 Administrative Code Chapter 74, Subchapter A (Required Curriculum) to include foundation and enrichment areas, English language proficiency standards, and college and career readiness standards.

19 TAC 89.1228

Evaluation

A district implementing a DLIP must conduct annual formative and summative evaluations collecting a full range of data to determine program impact on student academic success.

The success of a DLIP is evident by students in the program demonstrating high levels of language proficiency in English and the other language and mastery of the Texas essential knowledge and skills for the foundation and enrichment areas. Indicators of success may include scores on statewide student assessments in English, statewide student assessments in Spanish (if appropriate), norm-referenced standardized achievement tests in both languages, and/or language proficiency tests in both languages.

1. The student must meet or exceed statewide student assessment passing standards in all subject areas at the appropriate grade level.
2. The student must meet or exceed expected levels of language proficiency on a recognized language proficiency test from the list of tests approved by the commissioner of education.

19 TAC 89.1269
