EXCEPTION TO
REQUIREMENT FOR
DESIGNATION OF A
CAMPUS BEHAVIOR
COORDINATOR

In accordance with the District's innovation plan, the District shall be exempt from the statutory requirement for designation of a campus behavior coordinator, who may be the principal of the campus or another campus administrator selected by the principal.

Therefore, each campus in the District shall develop a collaborative disciplinary approach that may include educators, counselors, and discipline coordinators.

STUDENT CODE OF
CONDUCT

The District's rules of discipline are maintained in the Board-adopted Student Code of Conduct and are established to support an environment conducive to teaching and learning.

Rules of conduct and discipline shall not have the effect of discriminating on the basis of gender, race, color, disability, religion, ethnicity, or national origin.

At the beginning of the school year and throughout the school year as necessary, the Student Code of Conduct shall be:

1. Posted and prominently displayed at each campus or made available for review in the principal's office, as required by law; and
2. Made available on the District's website and/or as a hard copy to students, parents, teachers, administrators, and others on request.

REVISIONS

Revisions to the Student Code of Conduct approved by the Board during the year shall be made available promptly to students and parents, teachers, administrators, and others.

EXTRACURRICULAR
STANDARDS OF
BEHAVIOR

With the approval of the principal and Superintendent, sponsors and coaches of extracurricular activities may develop and enforce standards of behavior that are higher than the District-developed Student Code of Conduct and may condition membership or participation in the activity on adherence to those standards. Extracurricular standards of behavior may take into consideration conduct that occurs at any time, on or off school property.

A student shall be informed of any extracurricular behavior standards at the beginning of each school year or when the student first begins participation in the activity. A student and his or her parent shall sign and return to the sponsor or coach a statement that they have read the extracurricular behavior standards and consent to them as a condition of participation in the activity.
