“Competitive bidding” is a procurement method by which a district contracts with a contractor for the construction, alteration, rehabilitation, or repair of a facility by awarding the contract to the lowest responsible bidder.

Except as otherwise provided by Government Code Chapter 2269 or other law, a district may contract for the construction, alteration, rehabilitation, or repair of a facility only after the district advertises for bids for the contract in a manner prescribed by law, receives competitive bids, and awards the contract to the lowest responsible bidder.

*Gov’t Code 2269.101*

The competitive bidding process is governed by the process outlined below. A district must comply with applicable legal requirements in this policy as well as other applicable legal requirements [see CV(LEGAL)], which include the following steps:

1. Giving public notice of the project;
2. Publishing contract selection criteria;
3. Making evaluations public after the contract is awarded; and
4. Providing for inspection, verification, and testing necessary for acceptance of the facility by the district.

*Education Code 44.031(g); Gov’t Code 2269.052, .055, .056(c), .058, .105*

**Preparation of Request**

The district shall prepare a request for competitive bids that includes construction documents, estimated budget, project scope, estimated project completion date, and other information that a contractor may require to submit a bid. *Gov’t Code 2269.103*

Use of Architect or Engineer

The district shall select or designate an architect or engineer in accordance with Occupations Code Chapter 1051 or 1001, as applicable, to prepare the construction documents required for a project to be awarded by competitive bidding. *Gov’t Code 2269.102* [See CV]

Opening Bids

The district shall receive, publicly open, and read aloud the names of the offerors and their bids. Bids shall be opened only by a board at a public meeting or by an officer or employee of a district at or in an office of the district. A bid that has been opened may not be

changed for the purpose of correcting an error in the bid price.  
*Gov't Code 2269.104; Local Gov't Code 271.026*

A board shall have the right to reject any and all bids. *Local Gov't Code 271.027(a)*

**Safety Record**

In determining who is a responsible bidder, a board may take into account the safety record of the bidder; of the firm, corporation, partnership, or institution represented by the bidder; or of anyone acting for such firm, corporation, partnership, or institution, provided that the board has:

1. Adopted a written definition and criteria for accurately determining the safety record of the bidder.
2. Given notice in the bid specifications that the safety record of a bidder may be considered in determining the bidder's responsibility.
3. Ascertained that such determination is not arbitrary and capricious.

*Local Gov't Code 271.0275*

**Conflict of Laws**

Except as otherwise specifically provided in this policy, Local Government Code Chapter 271, Subchapter B, does not apply to the competitive bidding process. *Gov't Code 2269.106*
