

**No Interdistrict
Transfers**

A nonresident student shall not be permitted to attend District schools except as provided below.

Exceptions

A resident student who becomes a nonresident during the course of a school year shall be permitted to continue in attendance for the remainder of the school year.

Students whose parents have a home under contract or under construction within the District shall be allowed to enter the District schools as transfer students.

A nonresident District employee may request that his or her child be admitted into District schools by filing an application with the Superintendent or designee. Transfers shall be granted for one regular school year at a time, on a tuition-free basis.

Factors

In approving transfers, the Superintendent or designee shall consider availability of space and instructional staff and the student's disciplinary history and attendance records.

*Transfer
Agreements*

A transfer student shall be notified in the written transfer agreement that he or she must follow all rules and regulations of the District. Violation of the terms of the agreement may result in a transfer request not being approved the following year.

Appeals

Any appeals shall be made in accordance with FNG(LOCAL) and GF(LOCAL), as appropriate.
