

Required Medical Clearance

Prior to participating in a designated University Interscholastic League (UIL) program or other District extracurricular program identified by the Superintendent, a student shall undergo a physical examination annually and shall submit a statement from an authorized health-care provider indicating that the student has been examined and medically cleared to participate in the program.

A student participating in extracurricular activities who has received medical treatment for an injury, illness, or other condition requiring medical attention may be required to present a written release from the health-care provider before resuming participation in the activity.

Additional Screening

The District may provide additional screening as District and community resources permit.

Referrals

Parents of students identified through any screening programs as needing treatment or further examination shall be advised of the need and referred to appropriate health agencies.

Notice of Lice

A school nurse or administrator who discovers or becomes aware that a child enrolled in a District elementary school has lice shall provide written or electronic notice to parents within the time frames prescribed in law.
