

Mission Statement Hallettsville ISD exists to develop productive, motivated, and moral citizens through educational excellence.

Shared Vision

Our students are:

- Confident about their future and prepared for the next stage of life: campus transition, college, technical/trade school, or career.
- Morally sound, well adjusted, contributing citizens who have positive social and life skills.
- Critical thinkers and effective problem solvers.
- Personally responsible and accountable to others.

Our learning environment:

- Promotes self-sufficiency and positive attitudes.
- Includes facilities that meet the needs of students and staff.
- Provides physical and emotional safety.
- Fosters communication between home and school.
- Provides opportunities for all types of learners and populations.
- Provides progressive and reliable technology and appropriate resources.
- Encourages global and student-driven learning.

Our District and community:

- Expect a high level of student achievement.
- Develop partnerships to achieve mutual goals.
- Nurture the moral character of every student.
- Have unity of purpose in achieving student-centered goals.
- Foster effective and open communication between school and community.
- Share services and resources to meet the needs of students and community.
- Support the development and maintenance of a high-performing staff.

Strategic Goals

The District adopts the following strategic goals.

The District shall:

- Safety and Facilities • Have the appropriate facilities and a comprehensive plan providing a safe and secure environment for students, employees, and community members.
- Technology • Provide progressive technology and ample support for students and staff.
- Curriculum and Instruction • Use quality, research-based, aligned curriculum and instruction emphasizing critical thinking and application while meeting the social and emotional needs of all students.
- Unity and Accountability • Promote a unity of purpose through high expectations with accountability for students, employees, school board members, families, and community members.
- Career • Provide career discovery and education.
- Staff • Hire and retain diverse, high-performing, competitively compensated employees who are accountable for their actions and strive for educational excellence.
- Parents and Community • Foster school, home, and community collaboration for student educational success.
