School Stability

In determining the best interest of a child who is homeless, a district shall:

2. Consider student-centered factors related to the child's best interest, including factors related to the impact of mobility on achievement, education, health, and safety of children who are homeless, giving priority to the request of the child's parent or guardian or the unaccompanied youth;

3. If, after conducting the best interest determination based on consideration of the presumption in item 1 above and the student-centered factors in item 2 above, the district determines that it is not in the child's best interest to attend the school of origin or the school requested by the parent or guardian or the unaccompanied youth, provide the parent, guardian, or unaccompanied youth with a written explanation of the reasons for its determination, in a manner and form understandable to such parent, guardian, or unaccompanied youth, including information regarding the right to appeal as set forth at Enrollment Disputes, below; and
4. In the case of an unaccompanied youth, ensure that the homeless liaison [see FFC] assists in placement and enrollment decisions under these provisions, gives priority to the views of such unaccompanied youth, and provides the notice to such youth of the right to appeal as set forth at Enrollment Disputes, below.
