

**Tuberculosis  
Screening**

All students entering District schools for the first time in any grade shall provide evidence of having received a tuberculosis screening in accordance with regional and county health department guidelines.

**UIL Participation**

A student desiring to participate in the UIL athletic program shall undergo a physical examination in accordance with the required schedule established by the UIL and shall submit a statement from an authorized health-care provider indicating that the student has been examined and is physically able to participate in the athletic program. In years that a physical examination is not required, the student shall complete a medical appraisal form. A student may be required to have a physical examination based on answers to the appraisal form.

**Additional Screening**

The District may provide additional screening as District and community resources permit.

**Referrals**

Parents of students identified through any screening programs as needing treatment or further examination shall be advised of the need and referred to appropriate health agencies.

Notice of Lice

A school nurse or administrator who discovers or becomes aware that a child enrolled in a District elementary school has lice shall provide written or electronic notice to parents within the time frames prescribed in law.
