

Transfer Requests

A nonresident student shall not be permitted to attend District schools except as provided below.

Exception

Eligibility for admission shall be determined by the Board or its designee on a case-by-case basis and shall be based on such factors as space available, total pupil enrollment, class size and teacher-student ratio, availability of services, and any other factors determined to be relevant by the Board or designee. However, such determination shall not include as a factor the national origin or ancestral language of the applicant for admission nor any factor that is otherwise prohibited by applicable law.

*Transfer

A transfer student shall be notified in the written transfer agreement that he or she must follow all rules and regulations of the District. Violation of the terms of the agreement may result in a transfer request not being approved the following year.
