

**Purchasing
Authority**

The Board delegates to the Superintendent the authority to make budgeted purchases for goods or services. However, any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.

Purchasing
Procedures

The Superintendent shall develop purchasing procedures to implement the requirements of state and federal law. [See also CB, CBB, CH(LEGAL), and COA]

Purchasing Method

The Board delegates to the Superintendent the authority to determine the method of purchasing in accordance with CH(LEGAL) or CBB(LEGAL), as appropriate.

*Competitive
Bidding*

If competitive bidding is chosen as the purchasing method, the Superintendent shall prepare bid specifications. All bids shall be in accordance with administrative regulations, and the submission of any electronic bids shall also be in accordance with Board-adopted rules. All bidders shall be invited to attend the bid opening. Any bid may be withdrawn prior to the scheduled time for opening. Bids received after the specified time shall not be considered.

The District may reject any and all bids in accordance with state or federal law, as applicable.

Contested Bids

All vendors shall be informed in the "General Conditions" section of the bid document that a vendor who wishes to contest a recommendation for award of bids, or to present additional information relevant to a bid, shall state on a form provided by the District the reasons for contesting the recommended award of bids and shall provide any additional information relevant to the bid award.

The completed form shall be submitted to the director of purchasing at least four hours before the Board meeting for which the bid is on the agenda for action. The completed form shall be provided to the Board, and the vendor may not present new information other than that presented on the form.

*Competitive
Sealed Proposals*

If competitive sealed proposals are chosen as the purchasing method, the Superintendent shall prepare the request for proposals and/or specifications for items to be purchased. All proposals shall be in accordance with administrative regulations, and the submission of any electronic proposals shall also be in accordance with Board-adopted rules. Proposals received after the specified time shall not be considered. Proposals shall be opened at the time specified, and all proposers shall be invited to attend the proposal opening. The District may reject any and all proposals in accordance with state or federal law, as applicable.

Electronic Bids or Proposals

Bids or proposals that the District has chosen to accept through electronic transmission shall be administered in accordance with Board-adopted rules. Such rules shall safeguard the integrity of the competitive procurement process; ensure the identification, security, and confidentiality of electronic bids or proposals; and ensure that the electronic bids or proposals remain effectively unopened until the proper time.

Sole Source

Prior to the District making any purchase from a sole-source vendor, the vendor shall be required to complete a sole-source affidavit, which shall be valid for two years from the date affirmed and retained by purchasing. If the anticipated annual purchases from the vendor exceed the purchasing authority of the Superintendent as established in this policy, the Board shall retain authority to approve the sole-source affidavit.

The Superintendent shall be responsible for confirming that the statements affirmed in affidavits are accurate and that all requirements for a sole-source purchase have been met.

Responsibility for Debts

The Board shall assume responsibility for debts incurred in the name of the District so long as those debts are for purchases made in accordance with the adopted budget, state law, Board policy, and the District's purchasing procedures. [See CE] The Board shall not be responsible for debts incurred by persons or organizations not directly under Board control. Persons making unauthorized purchases shall assume full responsibility for all such debts.

Purchase Commitments

All purchase commitments shall be made by the Superintendent in accordance with administrative procedures, including the District's purchasing procedures.

Personal Purchases

District employees shall not be permitted to make purchases for personal use through the District's business office.
