

**Planning and
Decision-Making
Process**

A board shall adopt a policy to establish a district- and campus-level planning and decision-making process that will involve the professional staff of a district, parents of students enrolled in a district, business representatives, and community members in establishing and reviewing the district's and campuses' educational plans, goals, performance objectives, and major classroom instructional programs. *Education Code 11.251(b)*

The planning and decision-making requirements do not:

1. Prohibit a board from conducting meetings with teachers or groups of teachers other than the district-level committee meetings.
2. Prohibit a board from establishing policies providing avenues for input from others, including students or paraprofessional staff, in district- or campus-level planning and decision making.
3. Limit or affect the power of a board to govern the public schools.
4. Create a new cause of action or require collective bargaining.

Education Code 11.251(g)

Evaluation

At least every two years, a district shall evaluate the effectiveness of the district's decision-making and planning policies, procedures, and staff development activities related to district- and campus-level decision making and planning to ensure that they are effectively structured to positively impact student performance. *Education Code 11.252(d)*

**Administrative
Procedure**

A board shall ensure that an administrative procedure is provided to clearly define the respective roles and responsibilities of the superintendent, central office staff, principals, teachers, district-level committee members, and campus-level committee members in the areas of planning, budgeting, curriculum, staffing patterns, staff development, and school organization.

A board shall ensure that the district-level planning and decision-making committee will be actively involved in establishing the administrative procedure that defines the respective roles and responsibilities pertaining to planning and decision making at the district and campus levels.

Education Code 11.251(d)

**Federal
Requirements**

The district policy must provide that all pertinent federal planning requirements are addressed through the district- and campus-level planning process. *Education Code 11.251(f)*

Required Plans

A board shall ensure that a district improvement plan and improvement plans for each campus are developed, reviewed, and revised annually for the purpose of improving the performance of all students. A board shall annually approve district and campus performance objectives and shall ensure that the district and campus plans:

1. Are mutually supportive to accomplish the identified objectives; and
2. At a minimum, support the state goals and objectives under Education Code Chapter 4.

Education Code 11.251(a)

Shared Services
Arrangement for
DAEP Services

A district participating in a shared services arrangement for disciplinary alternative education program (DAEP) services shall ensure that the district improvement plan and each campus-level plan include the performance of the DAEP student group for the district. The identified objectives for the improvement plans shall include:

1. Student groups served, including overrepresentation of students from economically disadvantaged families, with ethnic and racial representations, and with a disability who receive special education and limited English proficiency services;
2. Attendance rates;
3. Pre- and post-assessment results;
4. Dropout rates;
5. Graduation rates; and
6. Recidivism rates.

District
Improvement Plan

A district shall have a district improvement plan that is developed, evaluated, and revised annually, in accordance with district policy, by the superintendent with the assistance of the district-level committee. The purpose of the district improvement plan is to guide district and campus staff in the improvement of student performance for all student groups in order to attain state standards in respect to the achievement indicators. *Education Code 11.252(a)* [See AIA]

*Availability to
TEA*

A district's plan for the improvement of student performance is not filed with the Texas Education Agency (TEA), but the district must make the plan available to TEA on request. *Education Code 11.252(b)*

*Required
Provisions*

The district improvement plan must include provisions for:

1. A comprehensive needs assessment addressing performance on the achievement indicators, and other appropriate measures of performance, that are disaggregated by all student groups served by a district, including categories of ethnicity, socioeconomic status, sex, and populations served by special programs, including students in special education programs under Education Code Chapter 29, Subchapter A.
2. Measurable district performance objectives for all appropriate achievement indicators for all student populations, including students in special education programs under Education Code Chapter 29, Subchapter A, and other measures of student performance that may be identified through the comprehensive needs assessment.
3. Strategies for improvement of student performance that include:
 - a. Instructional methods for addressing the needs of student groups not achieving their full potential.
 - b. Evidence-based practices that address the needs of students for special programs, including:
 - (1) Suicide prevention programs, in accordance with Education Code Chapter 38, Subchapter G, which include a parental or guardian notification procedure [see FFEB];
 - (2) Conflict resolution programs;
 - (3) Violence prevention programs; and

 - f. Staff development for professional staff of a district.
 - g. Career education to assist students in developing the knowledge, skills, and competencies necessary for a broad range of career opportunities.

- h. Accelerated education.
 - i. Implementation of a comprehensive school counseling program under Education Code 33.005. [See FFEA]
4. Strategies for providing to elementary school, middle school, junior high school, and high school students, those students' teachers and school counselors, and those students' parents information about:
- a. Higher education admissions and financial aid opportunities, including state financial aid opportunities such as the TEXAS grant program and the Teach for Texas grant program.
 - b. The need for students to make informed curriculum choices to be prepared for success beyond high school.
 - c. Sources of information on higher education admissions and financial aid.
5. Resources needed to implement identified strategies.
6. Staff responsible for ensuring the accomplishment of each strategy.
7. Timelines for ongoing monitoring of the implementation of each improvement strategy.
8. Formative evaluation criteria for determining periodically whether strategies are resulting in intended improvement of student performance.
9. The policy under Education Code 38.0041 addressing sexual abuse and other maltreatment of children. [See FFG]
10. The trauma-informed care policy required under Education Code 38.036. [See FFBA]
