

**Definitions**

The term "immediate family" is defined as:

Family

1. Spouse.
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
3. Parent, stepparent, parent-in-law, or other individual who stands *in loco parentis* to the employee.
4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.
6. Any person residing in the employee's household at the time of illness or death.

Family Emergency

The term "family emergency" shall be limited to disasters and life-threatening situations involving the employee or a member of the employee's immediate family.

Leave Day

A "leave day" for purposes of earning, use, or recording of leave shall mean the number of hours per day equivalent to the employee's usual assignment, whether full-time or part-time.

Catastrophic Illness or Injury

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee's immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Complications resulting from pregnancy shall be treated the same as any other condition.

**Availability**

The District shall make state personal leave for the current year available for use at the beginning of the school year.

**Deductions**

Leave Without Pay

The District shall not approve paid leave for more leave days than have been accumulated in prior years plus leave currently available. Any unapproved absences or absences beyond accumulated and available paid leave shall result in deductions from the employee's pay.

Leave Proration

*Employed for  
Less Than Full  
Year*

If an employee separates from employment with the District before his or her last duty day of the year, or begins employment after the first duty day, state personal leave shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee's final paycheck shall be reduced for state personal leave the employee used beyond his or her pro rata entitlement for the school year.

**Recording**

Leave shall be recorded in half-day increments for all employees.

**Order of Use**

Earned compensatory time shall be used before any available paid state leave or extended sick leave. [See DEA]

Available leave shall be used in the order determined by each employee; however, extended sick leave shall be available to an eligible employee only after all state leave has been exhausted.

**Concurrent Use of Leave**

Temporary disability leave shall apply after all paid leave and compensatory time is exhausted.

An employee receiving workers' compensation income benefits may be eligible for paid or unpaid leave. An absence due to a work-related injury or illness shall be designated temporary disability leave and/or assault leave, as applicable.

**Medical Certification**

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than five consecutive workdays because of personal illness or illness in the immediate family; or
2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor or Superintendent.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

**Note:** For District contribution to employee insurance during leave, see CRD(LOCAL).

**State Personal Leave**

The Board requires employees to differentiate the manner in which state personal leave is used:

Non-Discretionary  
Use

1. Non-discretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Non-discretionary use includes leave related to the birth or placement of a child and taken within the first year after the child's birth, adoption, or foster placement.

Discretionary Use      2.    Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

*Limitations*

Request for  
Leave

The employee shall submit a written request for discretionary use of state personal leave to the immediate supervisor or designee in advance in accordance with administrative regulations. In deciding whether to approve or deny state personal leave, the supervisor or designee shall not seek or consider the reasons for which an employee requests to use leave. The supervisor or designee shall, however, consider the effect of the employee's absence on the educational program or District operations, as well as the availability of substitutes.

Duration of  
Leave

Discretionary use of state personal leave shall not exceed three consecutive workdays.

**Extended Sick Leave**      After all available state leave days have been exhausted, a professional employee shall be granted in a school year a maximum of ten leave days of extended sick leave to be used for the employee's catastrophic illness or injury, including pregnancy-related illness or injury, or for absences related to the catastrophic illness or injury of a member of the employee's immediate family.

A written request for extended sick leave must be accompanied by medical certification of the illness or injury.

The average daily rate of pay of a substitute for the employee's position shall be deducted for each day of extended sick leave taken, whether or not a substitute is employed.

**Temporary Disability  
Leave**

Any full-time employee whose position requires educator certification by the State Board for Educator Certification or by the District shall be eligible for temporary disability leave. The maximum length of temporary disability leave shall be 180 calendar days. [See DBB(LOCAL) for temporary disability leave placement and DEC(LEGAL) for return to active duty.]

An employee's notification of need for extended absence due to the employee's own medical condition shall be forwarded to the Superintendent or designee as a request for temporary disability leave.

**Workers'  
Compensation**

---

**Note:**      Workers' compensation is not a form of leave. The workers' compensation law does not require the continuation of the District's contribution to health insurance. [See CRD(LOCAL) regarding payment of insurance contribution during employee absences.]
