

Definitions

The term “immediate family” is defined as:

Family

1. Spouse.
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
3. Parent, stepparent, parent-in-law, or other individual who stands *in loco parentis* to the employee.
4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.
6. Any person residing in the employee’s household at the time of illness or death.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

Family Emergency

The term “family emergency” shall be limited to disasters and life-threatening situations involving the employee or a member of the employee’s immediate family.

Leave Day

A “leave day” for purposes of earning, use, or recording of leave shall mean the number of hours per day equivalent to the employee’s usual assignment, whether full-time or part-time.

Availability

The District shall make state personal leave for the current year available for use at the beginning of the school year. Local leave shall be made available as earned.

Earning Local Leave

An employee shall not earn any local leave when he or she is in unpaid status. An employee using full or proportionate paid leave shall be considered to be in paid status.

Deductions

Leave Without Pay

The District shall not approve paid leave for more leave days than have been accumulated in prior years plus leave currently available. Any unapproved absences or absences beyond accumulated and available paid leave shall result in deductions from the employee’s pay.

Leave Proration

*Employed for
Less Than Full
Year*

If an employee separates from employment with the District before his or her last duty day of the year, or begins employment after the first duty day, state personal leave and local leave shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee's final paycheck shall be reduced for state personal leave the employee used beyond his or her pro rata entitlement for the school year.

Recording

Leave shall be recorded as follows:

1. Leave shall be recorded in half-day increments for all employees.
2. If the employee is taking intermittent FMLA leave, leave shall be recorded in one-hour increments.

Order of Use

Earned compensatory time shall be used before any available paid state and local leave. [See DEA]

Unless an employee requests a different order, available paid state and local leave shall be used in the following order, as applicable:

1. Local leave.
2. State sick leave accumulated before the 1995–96 school year.
3. State personal leave.

Concurrent Use of Leave

When an absent employee is eligible for FMLA leave, the District shall designate the absence as FMLA leave.

The District shall require the employee to use temporary disability leave and paid leave, including compensatory time, concurrently with FMLA leave.

An employee receiving workers' compensation income benefits may be eligible for paid or unpaid leave. An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

Medical Certification

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than three consecutive work-days because of personal illness or illness in the immediate family;
2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor or Superintendent;
3. The employee requests FMLA leave for the employee's serious health condition or that of a spouse, parent, or child; or

4. The employee requests FMLA leave for military caregiver purposes.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

Note: For District contribution to employee insurance during leave, see CRD(LOCAL).

State Personal Leave The Board requires employees to differentiate the manner in which state personal leave is used:

- Non-Discretionary Use
1. Non-discretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Non-discretionary use includes leave related to the birth or placement of a child and taken within the first year after the child's birth, adoption, or foster placement.

- Discretionary Use
2. Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

Limitations

Request for
Leave

The employee shall submit a written request for discretionary use of state personal leave to the immediate supervisor or designee in advance in accordance with administrative regulations. In deciding whether to approve or deny state personal leave, the supervisor or designee shall not seek or consider the reasons for which an employee requests to use leave. The supervisor or designee shall, however, consider the effect of the employee's absence on the educational program or District operations, as well as the availability of substitutes.

Duration of
Leave

Discretionary use of state personal leave shall not exceed five consecutive workdays.

Local Leave All employees shall earn five paid local leave days per school year in accordance with administrative regulations.

Local leave shall accumulate without limit.

Local leave shall be used according to the terms and conditions of state sick leave accumulated before the 1995-96 school year. [See DEC(LEGAL)]

An employee may also use local leave for absences related to the birth or placement of a child when leave is taken within the first year after the child's birth, adoption, or foster placement.
