**Section I:
Maintenance Taxes**

A board may levy, assess, and collect annual ad valorem taxes for the maintenance of a district's schools. *Education Code 45.002*

Tax Rate Cap

If authorized by a majority of qualified voters of a district voting at an election held for that purpose, the district may impose a maintenance tax rate at a rate not to exceed the rate stated in the proposition. For any year, the maintenance tax rate per \$100 of taxable value adopted by a district may not exceed the rate equal to the sum of \$0.17 and the product of the state compression percentage, as determined under Education Code 42.2516, multiplied by \$1.50.

A rate that exceeds this maximum rate for the year in which the tax is to be imposed is void. A district with a tax rate that is void under this subsection may, subject to requirements imposed by other law, adopt a rate for that year that does not exceed the specified maximum rate for that year.

Notwithstanding any other law, a district that levied a maintenance tax for the 2005 tax year at a rate greater than \$1.50 per \$100 of taxable value in the district as permitted by special law may not levy a maintenance tax at a rate that exceeds the rate per \$100 of taxable value that is equal to the sum of \$0.17 and the product of the state compression percentage, as determined under Education Code 42.2516, multiplied by the rate of the maintenance tax levied by the district for the 2005 tax year.

Education Code 45.003(a), (d)–(f)

Appraisal Roll

By August 1 or as soon thereafter as practicable, a district's tax assessor shall submit to the board the district's appraisal roll, showing the total appraised, assessed, and taxable values of all property and the total taxable value of new property.

Note: The *Truth in Taxation* website maintained by the Texas comptroller of public accounts offers [detailed guidance on setting local property tax rates for school districts](#).¹

By August 1 or as soon thereafter as practicable, a district's tax collector shall certify to the board the estimates and amounts required by law.

Tax Code 26.04(b)

Certified Estimate

By April 30, the chief appraiser shall prepare and certify an estimate of the taxable value of school district property. *Tax Code 26.01(e)*

Disaster Area	If a district is located partly or entirely inside an area declared by the governor to be a disaster area, the board may authorize the re-appraisal of all property damaged in the disaster at its market value immediately after the disaster. <i>Tax Code 23.02(a)</i>
Meeting on Budget and Proposed Tax Rate	A board shall call a public meeting to discuss and adopt its budget and proposed tax rate. A board must provide notice of the budget and proposed tax rate meeting, as described below. The budget must be adopted before the adoption of the tax rate for the tax year in which the fiscal year covered by the budget begins. [See CE]
<i>Published Notice</i>	A board president shall provide for publication of notice of the budget and proposed tax rate meeting in a daily, weekly, or bi-weekly newspaper published in a district. If no daily, weekly, or bi-weekly newspaper is published in a district, the president shall provide for publication of notice in at least one newspaper of general circulation in the county in which the district's central administrative office is located. The notice shall be published not earlier than the 30th day or later than the tenth day before the date of the hearing.
Form of Notice	<p>The published notice of the public meeting to discuss and adopt the budget and the proposed tax rate must meet the size, format, and content requirements dictated by law.</p> <p>The notice is not valid if it does not substantially conform to the language and format prescribed by the comptroller.</p>
Taxpayer Injunction	If a district has not complied with the published notice requirements in the FORM OF NOTICE described above, and the requirements for DISTRICTS WITH JULY 1 FISCAL YEAR below, if applicable, and the failure to comply was not in good faith, a person who owns taxable property in the district is entitled to an injunction restraining the collection of taxes by the district. An action to enjoin the collection of taxes must be filed before the date a district delivers substantially all of its tax bills.
<i>Districts with July 1 Fiscal Year</i>	<p>A district with a fiscal year beginning July 1 may use the certified estimate of the taxable value of district property in preparing the published notice if the district does not receive the certified appraisal roll on or before June 7. A district that uses a certified estimate may adopt a budget at the public meeting designated in the published notice prepared using the estimate, but the district may not adopt a tax rate before the district receives the certified appraisal roll for the district.</p> <p>After receipt of the certified appraisal roll, a district must publish a revised notice and hold another public meeting before the district may adopt a tax rate that exceeds:</p>

1. The rate proposed in the notice prepared using the estimate;
or
2. The district's rollback rate determined under Tax Code 26.08
using the certified appraisal roll.

*Decrease in Debt
Service Rate*

If the debt service rate calculated under Education Code 44.004(c)(5)(A)(ii)(b) decreases after the publication of the notice required by this section, the board president is not required to publish another notice or call another meeting to discuss and adopt the budget and the proposed lower tax rate.

Education Code 44.004

Tax Rate

Before the later of September 30 or the 60th day after the date the certified appraisal roll is received, a board shall adopt a tax rate for the current tax year that reflects the two components, maintenance and operations expenditures and the debt service rate calculated under Education Code 44.004(c)(5)(A)(ii)(b), and shall notify the assessor of the tax rate adopted. The two components shall be approved separately. *Tax Code 26.05(a)*

A board may not impose property taxes in any year until it has adopted a tax rate for that year, and the annual tax rate must be set by ordinance, resolution, or order. The vote on the ordinance, resolution, or order setting the tax rate must be separate from the vote adopting the budget. The vote on the ordinance, resolution, or order setting a tax rate that exceeds the sum of the district's effective maintenance and operations tax rate and the district's current debt rate must be a record vote, and at least 60 percent of the members of the board must vote in favor of the ordinance, resolution, or order. *Tax Code 26.05(b)*

The budget shall be adopted before the adoption of the tax rate.
Education Code 44.004(g)

Exception

A district may adopt a budget after the district adopts a tax rate for the tax year in which the fiscal year covered by the budget begins if the district elects to adopt a tax rate before receiving the certified appraisal roll for the district. The board may adopt a tax rate for the current tax year before receipt of the certified appraisal roll if the chief appraiser of the appraisal district in which the district participates has, by April 30, certified to the assessor for the district an estimate of the taxable value of property in the school district as provided by Education Code 26.01(e). If a district adopts a tax rate before the adoption of the budget, the effective tax rate and the rollback tax rate of the district shall be calculated based on the certified estimate of taxable value. *Education Code 44.004(j); Tax Code 26.01(e), .05(g)*

Effective Tax Rate The vote on the ordinance setting a tax rate that exceeds the effective tax rate must be a record vote. A motion to adopt an ordinance setting a tax rate that exceeds the effective tax rate must be made in the following form: "I move that the property tax rate be increased by the adoption of a tax rate of (specify tax rate), which is effectively a (insert percentage by which the proposed tax rate exceeds the effective tax rate) percent increase in the tax rate."

Maintenance and Operations Tax Rate If the ordinance sets a tax rate that, if applied to the total taxable value, will impose an amount of taxes to fund maintenance and operation expenditures of the taxing unit that exceeds the amount of taxes imposed for that purpose in the preceding year, a board must include in the ordinance in type larger than the type used in any other portion of the document the following statement: "THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE"; and if the tax rate exceeds the effective maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE EFFECTIVE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."

Internet Posting A district shall also include on the home page of any Internet website operated by the district the following statement: "(Insert name of unit) ADOPTED A TAX RATE THAT WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE"; and if the tax rate exceeds the effective maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE EFFECTIVE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."

Tax Code 26.05(b)

Section II: Election to Ratify Taxes

If a board adopts a tax rate that exceeds a district's rollback tax rate as defined in Tax Code 26.08, the registered voters of the district at an election held for that purpose must determine whether to approve the adopted tax rate. When increased expenditure of money is necessary due to a natural disaster and the governor has requested federal disaster assistance, an election is not required.
Tax Code 26.08(a)

A board shall order that the election be held in a district on a date not less than 30 or more than 90 days after the date on which it adopted the tax rate. The election need not be held on a uniform

	election date unless a uniform election date falls within the 30–90 day time period. <i>Tax Code 26.08(b)</i>
Proposition	In addition to any other requirement imposed by law for a proposition, including a provision prescribing the proposition language, a proposition submitted to the voters for approval of the imposition or increase of a tax shall specifically state the amount of or maximum tax rate of the tax or tax increase for which approval is sought. <i>Education Code 52.072(e)</i>
Approval of Proposition	If a majority of votes cast in a district favor the proposition, the tax rate for the current year is the rate that was adopted by the board. If the proposition is not approved, a board may not adopt a tax rate for the current year that exceeds a district's rollback tax rate. <i>Tax Code 26.08(c)–(d)</i>
Call for Election	A call for an election shall be made not later than the 62nd day before election day.
Exceptions	For an election to be held on a uniform election date, the election shall be ordered not later than the 78th day before election day. An election under Tax Code 26.08 to ratify a tax rate adopted by a board under Tax Code 26.05(g) shall be ordered not later than the 30th day before election day. <i>Election Code 3.003, .005, 41.002 [See BBB]</i>
Notice to County Clerk	A board shall deliver notice of the election to the county clerk of each county in which the district is located not later than the 60th day before election day.
Exception	If a board orders an election under Tax Code 26.08 to ratify a tax rate adopted by the board under Tax Code 26.05(g), the board shall deliver notice of the election to the county clerk of each county in which the school district is located not later than the 30th day before election day. <i>Election Code 4.008</i>
Tax Information to County	A district shall provide to the county assessor-collector for each county in which all or part of district territory is located the district's adopted tax rate, maintenance and operations rate, debt rate, effective tax rate, effective maintenance and operations rate, and rollback tax rate for posting on the county's Internet website. The district shall provide the information annually following the adoption of a tax rate by the district for the current tax year. <i>Tax Code 26.16(a)–(b)</i>

Subject to the requirements contained in Tax Code 31.035, a board by order or resolution may permit an individual who is at least 65 years of age to perform services for the taxing unit in lieu of paying taxes imposed by a district on property owned by the individual and occupied as the individual's residence homestead.

The official action to tax the goods-in-transit must be taken before January 1 of the first tax year in which the governing body proposes to tax goods-in-transit. Before acting to tax the exempt property, a board must conduct a public hearing as required by Texas Constitution Article VIII, Section 1-n(d). Notwithstanding any termination of the reinvestment zone and unless otherwise specified by an agreement between the district and the municipality or county that created the zone, this payment shall be made no later than 90 days after the later of the delinquency date for district property taxes or the date the municipality or county that created the zone submits to the district an invoice specifying the tax increment produced by the district and the amount the district is required to pay into the tax increment fund for the zone. A district is not required to pay the portion attributable to delinquent taxes until those taxes are collected. A district shall not be required to pay a tax increment into</p>

the zone's tax increment fund beyond three years from the date the zone was created, except as provided by law. *Tax Code 311.013*

A district is not required to pay into the tax increment fund any of its tax increment produced from property located in an area added to a reinvestment zone under Tax Code 311.007 unless the board enters into an agreement to do so with the governing body of the municipality or county that created the zone. *Tax Code 311.013(k)*

A district that participates in a zone is not required to increase the percentage or amount of the tax increment to be contributed by the district because of an amendment to the project plan or reinvestment zone financing plan for the zone unless the board by official action approves the amendment. *Tax Code 311.011(g)*

A district whose taxable value is reduced under Government Code 403.302(d)(4) shall pay into the tax increment fund, in addition to the amount otherwise required to be paid, the amount by which the amount of taxes the district would have been required to pay into the fund in the current year if the district levied taxes at the rate the district levied in 2005 exceeds the amount the district is otherwise required to pay into the fund in the year of the reduction. This additional amount may not exceed the amount the district receives in state aid for the current tax year under Education Code 42.2514. The district shall pay the additional amount after the district receives the state aid to which the district is entitled for the current tax year under Education Code 42.2514. *Tax Code 311.013(n)*
