

<b>Participation</b>	Any student in junior high school or senior high school who wishes to participate in any activity or program requiring strenuous physical activity shall be required to have a pre-participation physical examination annually prior to tryouts or participation in the activity. Before being allowed to participate, the student shall submit a statement from a health-care provider authorized under UIL rules indicating that the student has been examined and is physically able to participate in the program.
<b>Additional Screening</b>	The District may provide additional screening as District and community resources permit.
<b>Referrals</b>	Parents of students identified through any screening programs as needing treatment or further examination shall be advised of the need and referred to appropriate health agencies.
Notice of Lice	A school nurse or administrator who discovers or becomes aware that a child enrolled in a District elementary school has lice shall provide written or electronic notice to parents within the time frames prescribed in law.
