
Note: For purposes of this policy, the terms “gift” and “donation” have the same meaning.

Unsolicited Gifts

Authority to Accept

The Board delegates to the Superintendent the authority to accept unsolicited gifts on behalf of the District. However, any gift that the potential donor has expressly made conditional upon the District's use for a specified purpose, or any gift of real property, shall require Board approval.

Once accepted, a gift becomes the sole property of the District.

*Criteria for
Acceptance*

The District shall not accept any gift that would violate or conflict with policies of or actions by the Board or with federal or state law.

Before the Superintendent accepts a gift or recommends acceptance of a gift to the Board, as applicable, the Superintendent shall consider whether the gift:

1. Has a purpose consistent with the District's educational philosophy, goals, and objectives;
2. Places any restrictions on a campus or District program;
3. Would support a program that the Board may be unable or unwilling to continue when the donation of funds is exhausted;
4. Would result in ancillary or ongoing costs for the District;
5. Requires employment of additional personnel;
6. Requires or implies the endorsement of a specific business or product [see GKB for advertising opportunities];
7. Would result in inequitable funding, equipment, or resources among District schools or programs;
8. Obligates the District or a campus to engage in specific actions; or
9. Affects the physical structure of a building or would require extensive maintenance on the part of the District.

Donation Review

All technology hardware and software shall be referred to the technology director to determine whether donation criteria have been met.

Instructional material shall be referred to the executive director for curriculum and instruction for review to determine instructional program compatibility.
