
Note: This local policy has been revised in accordance with the District's [innovation plan](#).¹

Class Size Ratio

In accordance with the District's innovation plan, the District shall be exempt from state law requiring a district not to enroll more than 22 students in a kindergarten–grade 4 class.

The teacher and campus administrator must notify the Superintendent if enrollment has increased for students in a kindergarten–grade 4 class and if an additional class and teacher is needed for a specific grade level. Parents of students in the class shall subsequently be notified.
