

<b>Student Illness</b>	Procedures shall be established by the administration to ensure that proper attention is given to any student who becomes ill during the course of a school day.
<b>Accidents Involving Students</b>	Emergency procedures shall be established by the administration to ensure proper attention for any student injured at school. Records shall be maintained on all accidents that require the attention of a medical doctor.
<b>Emergency Treatment Forms</b>	Each year, students and parents shall complete and sign a form that provides emergency information and authorizes school officials to obtain emergency medical treatment, as provided by law.
<b>Administering Medication</b>	No employee shall give any student prescription medication, non-prescription medication, herbal substances, anabolic steroids, or dietary supplements of any type, except as provided below.
Exceptions	Employees authorized by the Superintendent or designee may administer to students:
<i>Provided by Parent</i>	<ol style="list-style-type: none"><li>1. Prescription medication in accordance with legal requirements, for a period of up to ten days. [See FFAC(LEGAL)] A written request by a physician or other health-care professional with authority to write prescriptions shall be required when the medication must be administered for a longer period.</li><li>2. Nonprescription medication, upon a parent's written request, when properly labeled and in the original container.</li><li>3. Herbal substances or dietary supplements provided by the parent and only if required by the individualized education program or Section 504 plan of a student with disabilities.</li></ol>
<i>Provided by District</i>	<ol style="list-style-type: none"><li>4. Nonprescription medication provided on an emergency basis by the District and consistent with:<ol style="list-style-type: none"><li>a. Protocols established by the District's medical advisor who must be licensed to practice medicine in the state of Texas; and</li><li>b. Parental consent given on the emergency treatment form.</li></ol></li></ol>
<b>Psychotropics</b>	Except as permitted by Education Code 38.016, an employee shall not: <ol style="list-style-type: none"><li>1. Recommend to a student or a parent that the student use a psychotropic drug;</li><li>2. Suggest a particular diagnosis; or</li></ol>

3. Exclude the student from a class or a school-related activity because of the parent's refusal to consent to psychiatric evaluation or examination or treatment of the student.
