

**Incentive Grants—  
Contract Provision**

A district shall provide in employment contracts that qualifying employees may receive an incentive payment under an awards program established under Education Code Chapter 21, Subchapter O (Educator Excellence Award Program and Educator Excellence Innovation Program) if the district participates in the program. A district shall indicate that any incentive payment distributed is considered a payment for performance and not an entitlement as part of an employee's salary. *Education Code 21.415*

**Educator Excellence  
Innovation Program**

The Educator Excellence Innovation Program (EEIP) is a grant program under which a district may receive a competitive grant for the purposes of systematically transforming educator quality and effectiveness. The Texas Education Agency (TEA) will give priority to districts that receive Title I funding and have at a majority of district campuses a student enrollment that is at least 50 percent educationally disadvantaged.

Eligibility

A district is eligible to apply for EEIP grant funds if the district:

1. Completes and submits a Notice of Intent to Apply to TEA by the date established by the commissioner of education;
2. Complies with all assurances in the Notice of Intent to Apply and grant application;
3. Participates in the required technical assistance activities established by the commissioner, including establishing leadership teams, master teachers, mentor teachers, and instructional coaches and developing career pathways;
4. Agrees to participate for four years; and
5. Complies with any other activities set forth in the program requirements.

An eligible district must submit an application in a form prescribed by the commissioner. Each eligible applicant must meet all deadlines, requirements, and assurances specified in the application. The commissioner may waive any eligibility requirements as specified in 19 Administrative Code 102.1073.

Local Plan

An eligible district that intends to participate in the EEIP shall submit a local educator excellence innovation plan to TEA. A local educator excellence innovation plan must address the elements at 19 Administrative Code 102.1073(e)(2).

A district must act pursuant to its local board policy [see DEAA (LOCAL)] for submitting a local educator excellence innovation plan and grant application to TEA. A local decision to approve and

submit a plan and grant application may not be appealed to the commissioner.

A district may renew its local educator excellence innovation plan for three consecutive school years without resubmitting a full grant application to TEA. With TEA approval, a district may amend its local plan in accordance with 19 Administrative Code 102.1073(c) and (h) for each school year the district receives a program grant.

Use of Grant Funds

A district may use grant funds only to carry out purposes of the program as described at Education Code 21.7011, in accordance with the district's local plan, which may include the following specific methods or procedures:

1. Implementation and administration of a high-quality mentoring program for teachers in the first three years of classroom teaching using mentors who meet the qualifications prescribed by Education Code 21.458 [see Mentor Teachers, below];
2. Implementation of a teacher evaluation system using multiple measures that include:
  - a. The results of classroom observation, which may include student comments;
  - b. The degree of student educational growth and learning; and
  - c. The results of teacher self-evaluation;
3. To the extent permitted under Education Code Chapter 25, Subchapter C, restructuring of the school day or school year to provide for embedded and collaborative learning communities for the purpose of professional development [see EC];
4. Establishment of an alternative teacher compensation or retention system; and
5. Implementation of incentives designed to reduce teacher turnover.

Waiver Request

A district may apply to the commissioner in writing for a waiver to exempt the district or one or more district campuses from one or more of the statutory sections listed at Education Code 21.7061(a).

The application for the waiver must demonstrate:

1. Why waiving the identified section of the Education Code is necessary to carry out the purposes of the program;

2. Approval for the waiver by a vote of a majority of the members of the board;
3. Approval for the waiver by a vote of a majority of the educators employed at each campus for which the waiver is sought; and
4. Evidence that the voting occurred during the school year and in a manner that ensured that all educators entitled to vote had a reasonable opportunity to participate in the voting.

Neither the board nor the superintendent may compel a waiver of rights under Education Code 21.7061.

Not later than April 1 of the year in which the waiver application is submitted, the commissioner shall notify the district in writing whether the application has been granted or denied. A waiver expires when the waiver is no longer necessary to carry out the purposes of the program, in accordance with the district's local educator excellence innovation plan.

The commissioner shall establish performance and validity standards for each local optional teacher designation system that:

1. Must provide a mathematical possibility that all teachers eligible for a designation may earn the designation; and

A classroom teacher that holds a National Board Certification issued by the National Board for Professional Teaching Standards may be designated as recognized.
