“Education

For the purposes of this policy, the term “education records” means those records, files, documents, and other materials that contain information directly related to a student and are maintained by an education agency or institution or by a person acting for such agency or institution.

The term “education records” does not include:

1. Records that are created or received by a district after an individual is no longer a student in attendance and that are not directly related to the individual’s attendance as a student.
2. Records made by district personnel that are kept in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to anyone other than a temporary substitute for the maker of the record.
3. Records maintained by a law enforcement unit of a district that were created by that law enforcement unit for the purpose of law enforcement.
4. Records on a student who is 18 years of age or older, or who is attending an institution of postsecondary education, that are:
 - a. Made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in his or her professional capacity or assisting in a paraprofessional capacity;
 - b. Made, maintained, or used only in connection with treatment of the student; and
 - c. Disclosed only to individuals providing the treatment. For the purpose of this definition, “treatment” does not include remedial educational activities or activities that are part of the program of instruction at the agency or institution.

The parent or guardian of a student is entitled to access to the student's medical records maintained by a district. On request of a student's parent or guardian, a district shall provide a copy of the student's medical records to the parent or guardian. If the district determines that there is an articulable and significant threat to the health or safety of a student or other individuals, it may disclose information from education records to any person whose knowledge of the information is necessary to protect the health or safety of the student or other individuals. If, based on the information available at the time of the determination, there is a rational basis for the determination, the U.S. Department of Education (ED) will not substitute its judgment for that of the district in evaluating the circumstances and making its determination.

3. The period of time within which the parent has to notify the district in writing that he or she does not want any or all of those types of information about the student designated as directory information.

*Restrictions on
the Right of
Refusal*

A parent or eligible student may not use the right of refusal to opt out of directory information disclosures to prevent a district from disclosing or requiring a student to disclose the student's name, identifier, or institutional email address in a class in which the student is enrolled or to prevent a district from requiring a student to wear, to display publicly, or to disclose a student ID card or badge that exhibits information that may be designated as directory information and that has been properly designated by the district as directory information in the public notice provided under this section.

A district may disclose directory information about former students without satisfying the public notice conditions above. However, the district must continue to honor any valid request to opt out of the disclosure of directory information made while a student was in attendance unless the student rescinds the opt-out request.

*Confirmation of
Identity or

A district may not disclose or confirm directory information without meeting the written consent requirements in 34 C.F.R. 99.30 if a student's social security number or other non-directory information is used alone or combined with other data elements to identify or help identify the student or the student's records.

3. A statement that federal law requires districts receiving assistance under the Elementary and Secondary Education Act of 1965 to provide a military recruiter or an institution of higher education, on request, with the name, address, or telephone number of a secondary student unless the parent has advised the district that the parent does not want the student's information disclosed without the parent's prior written consent.

Notwithstanding the Directory Information provisions above, each district receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) shall provide, on a request made by a military recruiter or an institution of higher education, access to secondary school students' names, addresses, and telephone listings unless a student's parent has submitted the prior consent request below.

Consent to
Release

A student who has attained 18 years of age or a parent of a secondary school student may submit a written request to a district that the student's name, address, and telephone listing not be released for purposes described above without prior written consent. A district shall notify parents of the option to make a request.

No Opt-In
Process

Nothing in this provision shall be construed to allow a district to withhold access to a student's name, address, and telephone list-

ing from a military recruiter or institution of higher education by implementing an opt-in process or any other process other than the written consent request process above.

20 U.S.C. 7908
