

## Definitions

“Criminal history clearinghouse” (Clearinghouse) means the electronic clearinghouse and subscription service established by the Department of Public Safety (DPS) to provide criminal history record information to persons entitled to receive that information and to provide updates to such information. A person who is the subject of the criminal history record information requested must consent to the release of the information. *Gov’t Code 411.0845(a), (h)*

“Criminal history record information” (CHRI) means information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, information, and other formal criminal charges and their dispositions. *Gov’t Code 411.082(2)*

“National criminal history record information” (NCHRI) means criminal history record information obtained from DPS under Government Code Chapter 411, Subchapter F, and the Federal Bureau of Investigation (FBI) under Government Code 411.087. *Education Code 22.081(2)*

“Request for CHRI” is the processing and entry of a person’s complete set of fingerprints in DPS’s tenprint database and the comparison of those prints to DPS’s latent print database and if authorized the entry into FBI’s tenprint and comparison to the FBI’s latent print database. *37 TAC 27.172*

### Participation in the Criminal History Clearinghouse

The purpose of the Clearinghouse is to:

1. Provide authorized entities with the Texas and FBI fingerprint-based criminal history results.
2. Provide authorized entities with subscription and notification service to disseminate updated criminal history information.

Districts shall only submit a request for CHRI on a person who has authorized the access of their information.

Districts may subscribe to a person in the Clearinghouse, if the entity has the authority to view the record. Entities shall unsubscribe from a person when it no longer has authority to view a record.

Districts shall validate their subscriptions in accordance with DPS policies. “Validation” is a process whereby the subscriber reviews a subscription to determine whether they are still authorized to receive CHRI on that individual and updates the subscription accordingly. Validations are required on a yearly basis.

Districts shall maintain compliance with the FBI Criminal Justice Information Services Security Policy. Districts shall allow DPS and
